

PROFILE

1. Name: **Malaya Kumar Misra**
2. Sex: Male
3. Nationality: Indian
4. Date of Birth: 21st April 1953
5. Designation & Address: Professor & Head (Retired), Principal Investigator, OFSD Project
Post Graduate Department of Botany,
Berhampur University, Berhampur - 760 007, Odisha.

E-mail: malayakmisra @ rediffmail.com

Tel: 0680-2343042 (Res), 09861268613 (M)

6. Educational qualifications (From degree onwards)

Degree	School/College/University	Year of Passing the Exam.
B.Sc.	S.K.C.G. College, Paralakhemundi, Berhampur University.	1972
M.Sc. (Botany)	Post Graduate Department, Berhampur University.	1974
Ph.D. (Botany)	Berhampur University	1979
D.Sc. (H.C.)	OIUCM, Colombo, Sri Lanka	1997

7. Awards and honours received

- a. **Post-graduate Merit Scholarship**, Govt. of Orissa, 1972.
- b. **Fellow of the Indian Association for Angiosperm Taxonomy (FIAT)**. Calicut.
- c. **D. Sc. degree awarded (H.C.)** by the Open International University for Complimentary Medicine, Colombo, Sri Lanka, 1997.
- d. **Green-Scientists award 2004**. The Green-life Movement India (TGLMI), Puri, Odisha.
- e. **Man of the Year Award 2012**. House of Nature, Environment and Society Trust (HONEST), Bhubaneswar, Odisha.
- f. **Dr. G. Panigrahi Memorial Award in Plant Taxonomy, 2012**. Orissa Botanical Society, Bhubaneswar.

8. Research and field experience: Since 1976 (37 years)
9. Teaching experience
(M.Sc. and M.Phil.)
a. Lecturer: 1981-1986
b. Lecturer Sr. Gr.: 1986-1994
c. Reader: 1994-2002
d. Professor: 2002 - 2013
10. Fields of Specialisation: Plant Taxonomy, Environ. Biology (Ecology) and Ethno-botany.
11. Research Publications: Research Papers (a) Foreign: 22 (b) India: 85 Total 107
Scientific Articles (a) English: 10 (b) Odia: 36 Total 46
12. Major Research Projects handled: Seven (BSI, MoEF, DSTE , DST, MoES, OFSDP)
13. Books authored: Eight
14. Proceedings edited: Three
15. Research guidance: Ph.D. : 19 M. Phil. : 47
16. Seminar/Conferences attended: Sixty five (Two in Foreign countries)
17. Membership of Professional bodies: Eight

18. Foreign Countries visited: France, Sri Lanka.

PUBLICATIONS OF Dr MALAYA K.MISRA

Research

1. **Misra, M.K.** & B.N. Misra. 1977. Effect of 'Dimecron 100', an insecticide on the germination and seedling growth of mustard seeds (*Brassica juncea* Hook. f. & Thoms.) **Comparative Physiology & Ecology**, 2: 33-34.
2. Panigrahy, A.K., **M.K. Misra** & B.N. Misra. 1978. Effect of sodium chloride stress on the germination and seedling growth of two local varieties of ragi, *Eleusine coracana* Gaertn. **Indian Journal of Ecology**, 5: 98-101.
3. **Misra, M.K.** & B.N. Misra. 1979. Turnover rates of a grassland community. **Comparative Physiology & Ecology**, 4: 150-153.
4. **Misra, M.K.** & B.N. Misra. 1979. Relationship among some structural attributes of a tropical grassland community. **Geobios**, 6: 153-156.
5. **Misra, M.K.** & B.N. Misra. 1979. Biological spectrum of a tropical grassland community at Berhampur. **Indian Journal of Forestry**, 2: 313-315.
6. **Misra, M.K.** & B.N. Misra. 1981. Seasonal changes in leaf area index and chlorophyll in an India grassland. **Journal of Ecology**, 69: 797-805. (U.K.)
7. **Misra, M.K.** & B.N. Misra. 1981. Association and correlation of plant species in a tropical grassland community. **Tropical Ecology**, 22: 88-98.
8. **Misra, M.K.** & B.N. Misra. 1981. Species diversity and dominance in tropical grassland community. **Folia Geobotanica et Phytotaxonomica**, 16: 309-316. (Czechoslovakia).
9. **Misra, M.K.** & B.N. Misra. 1982. Relationship of Photosynthetic structure with biomass and energy content of a grassland community. **Indian Journal of Forestry**, 5(2): 111-115.
10. Bhatta, K.S., **Misra, M.K.** & B.N. Misra. 1982. Community structure and standing crop biomass of a shallow tropical pond of Orissa, - a coastal province of India. **Indian Journal of Ecology**, 9: 130-141.
11. Misra, N. & **M.K. Misra**. 1983. Further addition to the flora of Parlakhemundi (Orissa). **Journal of Orissa Botanical Society**, 5(1): 24-40.
12. **Misra, M.K.** 1984. Ecological approach to afforestation with reference to Orissa. pp. 19-26. In:(eds. S.N. Patro & M.K. Misra) **Proceedings of the Seminar on Environmental Education Curricula and Environment and Natural Resources Management**, Bhubaneswar, 1983, Orissa Environmental Society.
13. Misra, N & **M.K. Misra**. 1984. Weeds of paddy fields and water bodies of Ganjam district (Orissa). **Research Journal of Berhampur University**, 4: 15-20.
14. **Misra, M.K.** 1984. An ecological strategy for conservation of Similipal forest. pp. 24-32. In: (eds. S.N. Patro & M.K. Misra) **Proceedings of the Workshop on Environmental Conservation**. Orissa Environmental Society, Berhampur.
15. **Misra, M.K.** & B.N. Misra. 1984. Biomass and primary production in an Indian grassland. **Tropical Ecology**, 25: 239-147.
16. **Misra, M.K.** & B.N. Misra. 1985. Spatial distribution pattern of certain species in an Indian grassland. pp.153-157. In:(ed. K.C. Misra) **Ecology and Resources Management in Tropics**, Vol. I, Bhargava Book Depot, Varanasi.
17. **Misra, M.K.** & B.N. Misra. 1986. Net primary production and diversity in the grasslands of Berhampur, Orissa. **Indian Journal of Forestry**, 9(2): 146-150.
18. Satapathy, H.K., N.C. Sahu & **M.K. Misra**. 1987. Need and justification for cashew development in Orissa. **The Cashew**, 1: 7-12.

19. Das, P.K. & **M.K. Misra**. 1987. Some medicinal plants used by the tribals of Deomali and adjacent areas of Koraput district, Orissa. **Indian Journal of Forestry**, 10(4): 301-303.
20. Pattnaik, S.K. & **M.K. Misra**. 1987. Morphology and germination characteristics of *Aristida setacea* seeds. **Acta Botanica Hungarica**, 33: 413-420. (**Hungari**).

RESEARCH SCHEMES UNDERTAKEN

- 1) District Flora Survey-Koraput. Botanical Survey of India, Department of Environment and Forests, Govt. of India, Howrah. (June 1984 – June 1987).
- 2) Biomass, Energy capturing efficiency and nutrient cycling in the *Casuarina* plantations in the coastal belt of Orissa. **Department of Environ. & Forests**, Govt. of India, New Delhi. (Aug.1985- Aug. 1998).
- 3) State of Environment - Flora of Orissa- an inventory of economic plants / germplasm. **Department of Science Technology & Environment**, Govt. of Orissa, Bhubaneswar (as co-investigator).
- 4) Ecological studies on grassland communities of South Orissa. **Department of Environment & Forests**, Govt. of Orissa (as co-investigator).
- 5) Studies on biomass and energy flow in Tribal village ecosystems of South Orissa. **Department of Science & Technology**, Govt. of India. New Delhi. (May1994 – Oct.1996)
- 6) Floristic survey and assessment of plant resources of wetlands of South Orissa, India. **Department of Environ. & Forests**, Govt. of India, New Delhi. (April 2005 – Continuing)
- 7) Phytodiversity and Ecology of Sandy Coastal Ecosystems of Orissa, India, **Ministry of Earth Sciences (MoES)**, Govt. of India, New Delhi. (July 2007 – July 2010).

MEMBERSHIP OF ASSOCIATIONS AND INSTITUTIONS

1. International Society for Tropical Ecology, Varanasi.
2. Indian Association for Angiosperm Taxonomy, Calicut (Life member)
3. Orissa Environmental Society, Bhubaneswar (Life member)
4. Orissa Botanical Society, Bhubaneswar (Life member)
5. Orissa Vigyan Prasar Parishad, Berhampur (Life member).
6. Orissa Vigyan Academy, Bhubaneswar (Life member)
7. Peace and Health Research Centre, Rangailunda, Ganjam, Orissa.

ORIENTATION COURSE, REFRESHERS COURSES, CONTINUING EDUCATION PROGRAMME UNDERTAKEN

- 1) Intensive course in Plant collection and Preservation, Central National Herbarium, Botanical Survey of India, Howrah, January 10-24, 1978.
- 2) Workshop on Plant Exploration and Herbarium techniques, Central National Herbarium, Botanical Survey of India, Howrah, 27th March to 7th April, 1978
- 3) Workshop on System Ecology, Ecodevelopment and Planning. Dept. of Botany Dr. Hari Singh Gour Vishwavidyalaya, SAGAR, (M.P.), 7th to 17th June 1984.
- 4) Orientation course in Remote Sensing Applications to Forestry, Indian Institute of Remote Sensing, Dehradun, July 4-17, 1984.
- 5) National School of Conservation Biology, Centre for Ecological Sciences, Indian Institute of Science, Bangalore, November 10-22, 1986.
- 6) Refreshers Course in Botany on Recent Advances in Botany, Calcutta University, March 4-28, 1991
- 7) Refreshers Course in Recent Advances in Botany and Biotechnology, Berhampur University, October 03 – 30, 1994.
- 8) Refreshers Course in Environment: Pollution, Protection and Preservation. Berhampur University, 15 March – 11 April, 1995.

ACADEMIC ACTIVITIES

1. Fellowships/ Awards/ received

- I. Fellow of the International Society for Tropical Ecology (FTE)
- II. Fellow of the Indian Association for Angiosperm Taxonomy (FIAT)

III. D.Sc.degree (H.C.) received from the Open International University for Complimentary Medicine, Colombo, Sri Lanka in 1997.

2. As Resource Person in various workshops/ Refresher courses;

- 1) UGC sponsored Refresher Course in Environmental Sciences, Organized by the Department of Environmental Sciences, Sambalpur University, Jyoti Vihar, February 7-8, 1995.
- 2) UGC sponsored Refresher Course in Advances in Modern Economics, Post Graduate Department of Economics, Berhampur University, 25,28 &29 December 1995.
- 3) Four Weeks Training Course in Remote Sensing & its applications to Oceanography, Marine Sciences & Marine Fisheries. 12 August,1996. Orissa Remote Sensing Application Centre, Bhubaneswar.
- 4) UGC sponsored Refresher Course on “Community Dynamics” Organized by the School of Environmental Biology, A. P. S. University, Rewa, (M.P.), 13 - 14 September, 1996.
- 5) UGC sponsored Refresher Course in Instrumentation and Quantitative methods in Biology, School of Life Sciences, Sambalpur University,15 -16 March 1999.
- 6) Central Pollution Board sponsored Training Programme on public participation in Environmental Management organized by CENDERET, Xavier Institute of Management, Bhubaneswar , 7th Sept.1999.
- 7) UGC sponsored Refresher Course in Botany, Academic Staff College, Utkal University, Bhubaneswer, July 24, 2000.
- 8) GC sponsored Refresher Course in Life Sciences on Biodiversity, Academic Staff Collage, Sambalpur University, 14-15 Sept. 2001
- 9) UGC sponsored Refresher course in Botany, Academic Staff College, Utkal University, October 5, 2001.
- 10) UGC sponsored Refresher Course in Environmental Sciences, Organised by the Department of Environmental Science, Fakir Mohan University, Balasore, September 24-25, 2004
- 11) UGC sponsored Refresher Course on Coastal Marine Ecology and Pollution, Organised by the P.G. Department of Marine Sciences, Berharpur University, 16th & 18th Feb.2005.
- 12) UGC sponsored Refresher Course in Environmental Sciences, Organized by the Department of Chemistry, Pt. Ravisankar Shukla University, Raipur. March 9-11, 200
- 13) UGC sponsored Refresher Course in Life Science, Organized by the Academic Staff College, Sambalpur University, Jyoti Bihar. 29th & 30th August 2005.
- 14) UGC sponsored Refresher Course in Botany, Organized by the Academic Staff College, Utkal University, Bhubaneswer. July 17-18, 2006.
- 15) UGC sponsored Refresher Course in Recent Advances in Environmental Sciences, Academic Staff Collage, Sambalpur University, 21-23 Dec. 2005.
- 16) Pollution Control Board, Orissa sponsored, Teachers training Programme on Environment and Pollution Control, Regional state Pollution Control Board, Berhampur. 29-30 August, 2007.
- 17) UGC sponsored Refresher Course on Coastal Marine Ecology and Pollution, Organised by the P.G. Department of Marine Sciences, Berharpur University, 1st & 4th October2007.
- 18) UGC sponsored orientation course on Science society and culture, Academic Staff College, Sambalpur University, 10th & 11th April 2009.
- 19) UGC sponsored orientation Course on Sustainability & Environment ASC, Sambalpur University. 19&20 August 2009.

3. Chaired 2 Scientific Sessions of the National Symposium / Conference.

4. Delivered talks in local (Oriya) language in village level meetings, Schools and Colleges on environment related problems, biodiversity, and so on.
5. Revised and updated courses of studies in M.Sc. Botany during the session 1996-1998.
6. Chairman of the Board of Studies in Botany: Berhampur University during 2000- 2001 and 2001-2002.
7. Chairman of the Board of Studies in Forest Ecology: Berhampur University during 2002-2003.

8. Chairman, BOS in Environment Sciences, B.U.2008-09 and 2009-10.

9. Member Board of Studies in Botany

- 1) Sambalpur University, Burla, Sambalpur, during 2000- 2001 and 2001- 2002
- 2) S.K.C.G. (Autonomous) College, Paralakhemundi (Ganjam) during 2002- 2003, 2003-2004, and 2004-2005.
- 3) Government College, Phulbani (Autonomous) during 2004-2005.
- 4) Deb College, Jeypore (Autonomous), Orissa during 2004-2006.
- 5) Government (Autonomous) College, Rourkela, Orissa, 2003 – 2004.
- 6) Government (Autonomous) College, Bhawanipatna, Orissa, 2005 – 2006.
- 7) Utkal University, 2007-2008, 2008-‘09, 2009-‘10.

10. Extra-curricular activities

- 1) In-charge (as Superintendent / Asst. Supt.) of hostels – 4 terms of 2 years each (2 Ladies' hostels and one Boys' hostel.)
- 2) As Vice-President of Athletic Association of Post Graduate Departments-3 times. (one year each)
- 3) As Associated Vice-President of Students Union, P.G. Departments-2 times (one year each)
- 4) In charge of NSS unit of Post Graduate Departments of Berhampur University for one year and organized one day Environment, Health and Literal Awareness Campaign in Coastal Villages of Ganjam district, Orissa.
- 5) In-charge of Administration of the P.G. department of Botany as Head of the Department since June 2000 and 2002.

CONTRIBUTIONS

Scientific Research

The main object of research is to explore the bio-resources (Plant) of South Orissa and its utilisation and management. This was done by conducting studies and publishing the findings on **Plant taxonomy, Ethnobotany and Tribal health care, Biodiversity resources utilisation in village ecosystems, Energy flow in village ecosystem, Grassland ecology and fodder production, Primary productivity and nutrient cycling in plantations and regenerating forest, Coastal resources and Fisher folk livelihood, Shifting cultivation and tribal sustenance, Rural fuel energy** and its economics.

Teaching:

Utilisation of research findings for teaching, writing Review articles (e.g. Encyclopaedia of Environmental Science, Academic Press), writing Books, editing Proceedings, framing Courses of studies in Botany, Environmental Science and Forest Ecology.
